

Join Us for Project Success's First-Ever Winter Adventure Day in Mankato!

We are looking for multiple volunteers to join us for our Mankato Winter Adventure Day, a celebration of all the fun and beauty Minnesota winters have to offer! From cross-country skiing to snow building competitions and more, this day will be packed with exciting activities that will bring out the best of the winter season. To learn more about this event, visit our [Mankato Programs](#) page on our [website](#).

We have a variety of volunteer roles to choose from to fit your interests. Volunteers will be stationed throughout different activity areas and will play a key role in creating a positive, memorable experience for our students and families.

Event Details:

Date: Saturday, February 8th

Time: 9:00 AM – 2:00 PM

Location: Flandrau State Park (1300 Summit Ave, New Ulm, MN 56073)

Lunch: A complimentary lunch featuring all-beef hot dogs, chips, and snacks will be provided to all volunteers.

Volunteer Opportunities:

1. Check-In Station

Greet participants with a warm smile as they arrive! You'll help with check-in, registration sheet management, and will ensure everything runs smoothly from the get-go.

2. Cross Country Ski Sign-Up Station

Help our skiers get ready for their adventure! You'll be keeping track of ski trip sign-ups, communicating departure/return times, and answering any questions participants may have.

3. Snow Creations/Shelter Building

Encourage creativity as students build snow people, shelters, and more! This station allows kids to explore their imagination, and we need volunteers to ensure everything runs safely and smoothly.

4. Nature Space

Let students explore and interact with nature! Volunteers will ensure safety and provide guidance in this free-play area, making sure everyone is safe and engaged.

5. Obstacle Course

Get ready for action! Help supervise students as they take on challenges that test their speed and agility. You'll be there to ensure safety and maintain the firepit area.

6. Food/Kitchen Area

Help in the kitchen to ensure we feed all our hungry participants and their families! Volunteers will help with assembling and distributing food, managing snack stations, and ensuring cleanliness and safety.

7. Kite-Making Station

Let creativity soar! Volunteers will help participants create their own kites, providing guidance and ensuring the area remains clean and safe.

Set-Up and Clean-Up

All volunteers are needed for set-up at 9:00 AM to prepare for the day. While it's not necessary to stay for clean-up, any extra help after the event is greatly appreciated!

Training:

Project Success will be holding an online volunteer training session to walk through the day's schedule, go over the responsibilities for each station, and provide an opportunity to ask any questions you may have. More details to be shared during the onboarding process.

How to Get Involved:

If you'd like to learn more about any of the opportunities outlined above, don't hesitate to reach out to kimberlymb@projectsuccess.org.

If you know what you're interested in, complete our quick volunteer interest form and our Program Manager for Mankato, Dani Farrell, will follow up to share more details and confirm your spot.
